February 3, 2017

Dear Parents and Guardians,

In an effort to further improve communication between our families and schools, while allowing our office staff to be able to perform as efficiently as possible, the Homer-Center Elementary School is implementing an **Automated Attendance Call System**. *This automated system will begin Monday, February 6, 2017.*

If your child is absent from school you will receive an automated call in the morning advising you that they are absent from school. If you believe this call was in error when you receive it, you should contact the elementary office immediately at 724-479-9077. We as a district prefer to err on the side of caution regarding the safety of all children when they are absent from school, which is the purpose of this call.

Please remember when your child returns to school to send an excusal note or doctor's excuse with them for their absence.

Thank you.

Sincerely,

Michael Stofa
Elementary Principal

MS/pi
