November 9, 2017

Dear Parents:

A food drive will be conducted in the Homer-Center School District from Monday, November 13, 2017, through Friday, November 17, 2017.

Containers will be placed in each homeroom to receive contributions to the **Baskets of Love Food Drive**, formally known as Love Basket. Non-perishable food items will be collected during this time. Some suggested food items are canned fruits, and vegetables, cereal, flour, sugar, boxed and bagged mixes. Other suggestions are to contribute soap, detergent and baby care items. Participation in this sharing opportunity is completely voluntary. In the past, our Homer-Center families have been very generous, we hope this tradition continues.

The filled containers will be added to the Homer-Center High School contributions and distributed to the families here in our own community, and the Homer City area.

Thank you in advance for your continued support and generosity in this caring endeavor!

Sincerely,

Mrs. Kara Gardner

Elementary School Counselor
