Dear Parents/Guardians:

Research suggests that a positive school climate can support student success.

This year, Homer-Center School District has decided again to gather data on students, staff, as well as, parents and community members' perceptions of the school climate. This data will help the school leadership team and staff identify areas of strength and areas for improvement.

Please let us know what you think by completing an anonymous survey at:  
[www.paschoolclimatesurvey.org](http://www.paschoolclimatesurvey.org)

When you reach the survey website, please click on the link circled below and enter
