Dear Parent/Guardian,

September 9th, 2016

This year, Homer-Center Elementary School will be participating in a program called the **Power Pack Program**. This program is a collaboration between the Homer-Center Elementary School and the Indiana County Community Action Program (ICCAP).

The **Power Pack Program** will provide a bag of non-perishable food to children, once or twice a month on a Friday afternoon, or school vacation. The food will be placed in the child's backpack during the day and is not intended to be opened until the child is home. This program will be provided at no cost to the families or school district. **This program is only open to families who qualify for free or reduced lunches.**

To enroll your child in the program, please complete the bottom portion of this sheet and return it to the school by **September 16th, 2016**. If you have any questions regarding the **Power Pack Program**, contact Mrs. Gardner, the Elementary School Counselor at 724-479-9077 ext. 1116.

Sincerely,

Mr. Stofa and Mrs. Gardner
