

Homer-Center After-School Tutoring Program

The Homer-Center School District is offering after school tutoring for students in grades Kindergarten through 6th grade. These small groups will focus on reading and math skills taught by members of our staff. Once all applications are submitted, students will be assigned a tutor who will contact you to make arrangements for the days and times which work best for your family.

There is no charge to parents for the tutoring. Due to the large number of students requesting tutoring, and the limited number of tutors available, you are encouraged to sign up right away if you feel this program would benefit your child. If your child attends Boys & Girls Club, he or she can still participate in this tutoring program and then be dismissed to Boys & Girls Club immediately following their tutoring time.

Please fill out the attached application and submit it to the elementary office by Friday, October, 21, 2016. Your child's tutor will contact you to make arrangements very soon.

Thank you!

Homer-Center After-School Tutoring Program

Tutoring Application

Student Name _____ **Grade** _____

Homeroom Teacher _____

Parent Name _____

Address _____

Phone Number _____

Your child's tutor will contact you directly to schedule sessions.
